WHERE IT STARTED, WHO STARTED IT, HOW IT STARTED, AND WHY

Enjoy this fascinating look at the town that was "The Top of Tampa Bay" when first developed, as former longtime Mayor of Oldsmar, Jerald Beverland, shares the early 20th century dream of Ransom E. Olds (automobile pioneer of Oldsmobile) that brought about the foundations of this city. Discover the triumphs and tragedies of the settlement that became the City of Oldsmar and its transformation over the course of the 20th century to its notable innovations and character in the 21st century today.
